

Specializing in the manufacture of corporate and school uniforms

21/7/2020

Dear Parents and Guardians of Harrison College

Below is our Boys and Girls Order Sheet for the academic year 2020-2021.

The manufacturing of uniforms will be done via the process of make to order and will be facilitated at our factory outlet in Newton Industrial Park Christ Church. For the current Back-To-School season parents and guardians will be required to purchase the fabrics (available at Abeds) to be used for the manufacturing of the uniforms.

In general, orders will be processed both by walk-ins as well as appointments. **Once all relevant information pertaining to the order is recorded, you will be required to make a 50% deposit on the order at that time.**

Sincerely,

Christopher Hadchity
Managing Director
